

# SPONSOR-AN-ANIMAL

*THE GIFT THAT KEEPS ON GIVING*

The live animals at the museum are one of the favorite things of many visitors, but feeding and caring for them properly is a big and expensive undertaking. These animals, all of which are non-releasable, work very hard, either being on exhibit, assisting with educational programs, or both. Your gift helps pay for food, veterinary, and exhibition costs for the Museum's Living Collection.

Each sponsor receives:

- A custom-designed, personalized certificate of sponsorship
- A photo of the animal
- An information sheet
- Their name displayed in the Museum as an animal sponsor for one year
- The satisfaction of sharing their love of animals and nature with others
